# Master's Message

Brethren –

It is hard to believe that it is already August. While the world seems to have stopped in many ways, it has also rumbled forward in many others. The Grand Lodge is currently planning a One Day Conferral in October to assist Lodges in moving forward. Our Lodge doors may have been darkened by the virus, but the Light of Freemasonry shines bright. We will have two in-person meetings in August and two Beehive Discussions. I look forward to seeing you all. Please practice zealous hygiene and wear your face coverings.

As I mentioned last month, I was honored to be able to attend the National Park Service's celebration of Mount Rushmore's 90th Anniversary with fireworks and a speech by the President of the United States. Despite your political leanings, there is no more patriotic scene than fireworks over the busts of some of our nation's greatest, most especially Illustrious Brother George Washington. We are challenged to reevaluate the lives led by many of our American heroes these days. Rather than be annoyed, we should embrace the reflection. The evolution of men is core to our values in Freemasonry. When confronted with an act of antiquity in modern context, we must always seek to understand perspective and ways to grow in knowledge and character.

I look forward to seeing you all in Lodge and on Zoom this month. I pray for the health of all of our members and the discovery of a vaccine to break us from the shackles of the virus.

Sincerely & Fraternaly,

Daniel E. Froggett

# Reading List

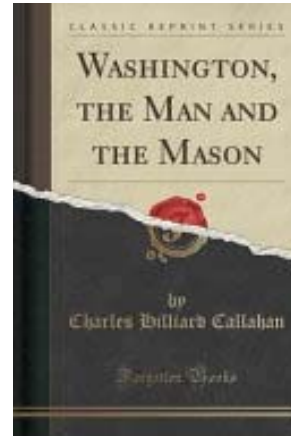

## AUGUST

Bro. Mark Tabbert's '*A DESERVING BROTHER: GEORGE WASHINGTON AND FREEMASONRY*' will examine more than sixty Masonic events in Washington's life – from his Masonic initiation in 1752 through his Masonic funeral in 1799. It is composed of more than 75,000 words and 60 color images of every known letter, book, artifact, and item related to Washington's membership in, and relationship with, Freemasonry. Listen to his "Conversation at the Washington Library here: <https://www.mountvernon.org/library/digitalhistory/podcast/a-deserving-brother-george-washington-and-freemasonry/>

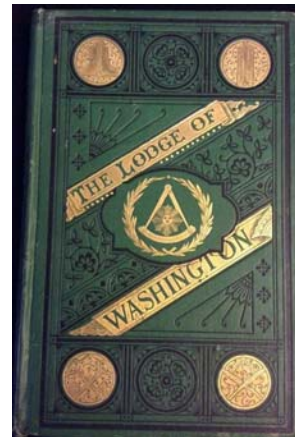

## SEPTEMBER

An extensive biography of George Washington spanning his life milestones, detailing his family history, growth as a Mason, and deep admiration of and commitment to Masonic principles. Specific attention is given to his connection with the Alexandria-Washington Lodge No. 22. Because of his character, the Masonic community considered George Washington the cornerstone of American civilization and deemed him "a just and upright Mason." Beautifully detailed b/w photos of people, important landmarks, homes of Washington, foldout maps, letters, facsimiles, etc.

## OCTOBER

A must read for members of Alexandria-Washington Lodge No. 22. The Lodge paid Wor. F.L. Brockett, Past Master of AW22, to concatenate the history, traditions, and public knowledge of the Lodge so that it could be published for the benefit of Freemasonry and Lodge members in particular. It was supposed to cover the first 100 years of the lodge but ended up covering only 93 years, 1783 - 1876.

# From the Senior Warden

Fraternal Greetings Brethren,

As we continue to watch the continuing onslaught of COVID-19, Masonry has slowly begun to restart after a long refreshment. Your officers are taking the appropriate steps to make sure masonic events are done in a safe environment, with little risk of exposure as we return to work and fellowship.

Personally, my Masonic schedule beyond the Symbolic Lodge has been extremely affected by this need to social distance. As I spend the evening here on my deck smoking a cigar thinking about what to type, the thought doesn't elude me that I should be driving to make a pre-Lodge dinner that isn't happening. Before the halt on work, I had upwards of 10 evenings a month at different Lodges and Masonic bodies, with enjoyable opportunities to see friends and do wonderful degree work. How I pine for a chance to raise a Brother or Knight a Templar.

I've been active in masonry since my raising in 2012, and hit the ground running and joined the appendant bodies not long after. Going to Lodge, Chapter and Commandery every month is a joyous opportunity for me to be able to see a collection of friends who attend on a weekly basis, and those who I see only sparingly. For those of you just beginning your Masonic journey, there are roads upon roads you as a mason can travel to gain more knowledge. While the Lodge remains the center of learning with all great things happening there, the appendant bodies of Freemasonry provide an extra basis required to be a well-rounded Mason and the opportunity to meet brothers outside of your regular circles. I jumped at the opportunity to do so and have loved the hustle and bustle of membership and administration on a monthly basis.

To have everything stop like it has is an event I hope we do not have to repeat, and as a past presiding officer I feel for those currently in office who have not had the opportunity to enjoy their time overseeing Masonic business. I am looking forward to supporting them all when they can start meeting again and hope they can leave the east feeling that they did all they could under the circumstances. I pray that these restrictions will end soon, and that all Masonry can go back to the quarries.

Sincerely & Fraternally,  
Wor. Michael T. Huff, PM  
Senior Warden

## Face Covering Use

<b>Before/ During Use:</b>		Before putting on a face covering, clean hands with soap and water or alcohol-based hand sanitizer.
		Inspect the condition of the face covering; usually the colored side/the side with folds facing downwards of the face covering should face outwards.
		Cover nose, mouth, and chin with the face covering. Adjust nose clip over the nose and tighten snugly; ensure there are no gaps between face and covering.
		Avoid touching the face covering. If touched, clean hands with soap and water or alcohol-based hand sanitizer.
<b>After Use:</b>		Remove face covering from behind using the elastics (do not touch the front of the face covering).
		Discard immediately in a trash bin; replace face covering if damp. Do not re-use single-use face coverings.
		Clean hands with soap and water or alcohol-based hand sanitizer.

## Practicing Good Hygiene

<b>Protect Yourself &amp; Others:</b>  	⇒ Stay home when sick.
	⇒ Wash hands often.
	⇒ Avoid touching eyes, nose, and mouth.
	⇒ Avoid close contact with people who are sick.
	⇒ Cover coughs & sneezes with a tissue; throw the tissue in the trash.
	⇒ Clean and disinfect frequently touched objects and surfaces.
<b>Wash Your Hands:</b>  	⇒ Maintain at six feet between yourself & others.
	⇒ At least 20 second with soap and water or use an alcohol-based (60% alcohol) hand sanitizer.
	⇒ After coughing, sneezing, or blowing your nose.
	⇒ Before, during, and after preparing & eating food.
	⇒ After visiting the bathroom.
