“From Eternity Into Light”

April 2013

THE MASTER'S MESSAGE

Dear Brethren-

April brings us to Charter Night, the annual celebration of the glorious history of our Lodge. Please note that by dispensation we have 'flipped' our Stated and Called Communications for the month. On the 11th, instead of our usual Stated, we will gather for a Called Communication to work in the Degrees. On April 25th, we will gather for our Stated Communication in the Replica Lodge Room to salute the past, present and future of our Lodge.

The Officers and I are planning a very exciting meeting for you. Our Archivist, Bro Tim Winkle and our Curatorial Assistant Mrs. Tywanna Janies have been hard at work unearthing some of the treasures of our Lodge that have not seen the light of day in many, many years. My instructions to them was that they should go beyond the obvious, beyond the things we always see, and try to show us some items that may have never been displayed to our Members before.

Truly, we have so many unique, special, and one of a kind items in the Archives (some of which we are just re-discovering), I guarantee there will be something to capture your attention. Bro Tim and Tywanna are preparing a few artifacts for discussion from each important era of the Lodge.

The treasures of our Lodge are not only the wonderful things we collect up in the Archives, my Brethren. It is the people, both past and present who labored to make this Lodge, defend the Lodge, and grow this Lodge who are our greatest treasures. We spend much time thinking about the more eminent or well known of these men; Doctor Dick, George Washington, etc. We spend much less time celebrating the men who, while not nationally famous, are still treasures of this Lodge.

One of those Lodge treasures is Wor Jason Snyder, Past Master 1979. At 103 years old, Wor Snyder is certainly the oldest living Past Master of this lodge, oldest living member of this Lodge, and is one of the more senior Masons in the Commonwealth. Wor Snyder is still fit and motivated enough to travel from his home in Johnson City, Tennessee to Alexandria for our meeting and be received in Grand Form

by the Brethren who are so dear to him. In addition to the Lodge receiving Wor Snyder, we will be delighted to hear some remarks from him on the topic of his choosing.

I hope you all can make a point of joining us for the 25th. It is not every day that we have the honor of receiving a man as remarkable as Wor Snyder. From everything I hear, The Craft has been an important part of Wor. Brother Snyder's life and I know he will be delighted by a rousing reception.

My Brethren, if you were at our Stated this past month, you heard Bro Shapiro discuss the importance of seeking and living truth. I hope these words have made as much of an impact on you as they have made on me. I sincerely hope that your journey of truth and discovery this year is bringing you increasing light and joy.

Sincerely and Fraternally,

Wor Joshua D Adler
Master

For Your Reflection:

We men of earth have here the stuff
Of Paradise – we have enough!
We need no other stones to build
The stairs into the Unfulfilled –
No other ivory for the doors,
No other marble for the floors,
Nor other cedar for the beam
And dome of man's immortal dream.
Here on the path of every day-
Here on the common human way-
Is all the busy gods would take
To build a heaven, to mould and make
New Edens. Ours the task sublime
To build Eternity in Time.
