“From Eternity Into Light”

AUGUST 2013

THE MASTER'S MESSAGE

My Brothers-

I hope that this message finds you well and managing to beat the unbelievable heat that we have been suffering through the last few weeks. The month of August takes us 'over the hump' of the Masonic year. Before long it will be time to elect the next group of officers who will lead our Lodge forward. It has been an honor to serve you these past many months, and I look forward to bringing you many more exciting programs as we finish out this Masonic Year.

At our August Stated Communication we will be honored to receive a visit from Worshipful Brother Robert Lane, the Master of John A Lejeune Lodge #350 in Quantico, VA. Wor. Robert will be presenting some remarks about John A Lejeune; the man, the military hero, the Mason. I have asked our Archivist, Bro Tim Winkle to scour our Archives in order to determine if we have any significant artifacts related to Lejeune, the USMC, or WWI. Should he find anything we will display them at our meeting. As always, if you plan to join us for the Festive Board following the meeting, please send your reservation to our Stewards (reservations@aw22.org) no later than one week prior to the meeting.

On Thursday August 29th, we will gather in the Lodge room at 7pm for the purposes of conferring one of the Degrees in Freemasonry. Although all degree conferrals are special, this one will be especially so as it is our first 'Officer move up night.' At this Master Mason Degree the officers for next year will assume the Stations and positions that they will likely occupy next year. I am sure that the officers for the next Masonic year would be delighted to see many friendly faces packing the sidelines for this Degree.

I look forward to seeing you all in Lodge as often as your cabletow allows this month.

I remain;

Your Most sincerely and Fraternaly,

Wor. Joshua Adler
Ab Aeterno Ad Lucem

A MOMENT OF LIGHT

“What are you doing?” a man asked three laborers beside a building under construction.

The first man replied: “Stone cuttin’.”

The second man smiled. “Puttin’ in time until a better job comes along.”

The third man waited a moment and then said simply: “I’m building a cathedral.”

- Anon.

It is true, with all the important things in life, we get out of them what we put into them. Freemasonry is no exception. Our most mundane chores can be exalted to the level of Spirituality if we approach them in the right frame of mind. In the same way, our highest aspirations can be brought low if we bring a grudging spirit to the attaining of them. We must all become involved in drudgery to survive in this modern world of ours, but never forget that, with the right attitude, a well ironed sock or shirt is as fulfilling an accomplishment as a difficult piece of ritual well delivered or a good deed unselfishly done.
