## THE MASTER'S MESSAGE

Brethren:

This month offers several events you will want to enjoy. On Saturday the 9<sup>th</sup> the William Hiram Wood Ritual School will be held at the Alexandria Valley Scottish Rite Temple. Beginning at 8:00 AM, this has been condensed down to a one-day event in order to better accommodate suggestions received to offer quality instruction on the ritual while not taking up an entire weekend. I strongly encourage anyone who is interested in improving his skill with our ritual to attend this school.

Our stated communication on May 14<sup>th</sup> will focus on the Lodge's Habitat for Humanity Project day with a presentation from Megan Coleman. They have broken ground and begun work on this year's project and they are excited that our Lodge is willing to support them. This project will provide a good opportunity for our Lodge to give back to the community while enjoying the fellowship of working together on a worthwhile endeavor.

After Miss Coleman's project update we will honor Brother Art Pierson with the presentation of his Twenty-Five Year Pin and then conduct our monthly business meeting.

Saturday, May 16<sup>th</sup> offers two events for fellowship: the William Elkins Lodge No. 271 Ladies Night in Philadelphia begins at 6:30 PM when we board "The Spirit of Philadelphia" for a dinner cruise. They are hosting a fun event for us in keeping with the annual tradition shared by our two lodges. For those of you who cannot make it to Philadelphia, the First Annual Fellowship Dinner will begin at 6:00 PM in Springfield Lodge. This promises to be a very enjoyable evening and I hope many of you will be able to support it with your participation. The cost of the dinner will be \$17.76 and tickets can be arranged through the officers of the Lodge.

Wor. Brother Kirk McNulty will continue our esoteric study of the three Craft degrees with a lecture on the "Symbolism in the Fellowcraft Degree" during our second communication on May 28. He always leaves his audience with much to think about regarding the lessons of the Craft and I hope you will be able make time in your schedule to hear his presentation.

I look forward to seeing during the month of May!

Sincerely and Fraternally,

Heber C. Willis, III  
Master
