

ALEXANDRIA-WASHINGTON LODGE N° 22  
ANCIENT FREE AND ACCEPTED MASONS

LODGE BULLETIN  
JANUARY 2014

## TO THE BRETHREN

I sincerely hope your holiday season has been a joyous one. I hope your 2014 has started well and will continue to bring joy and prosperity to you and yours. I certainly am excited to begin a new Masonic year of fellowship, and I want to thank you once again for your trust and confidence in electing me Master of this illustrious Lodge. I cherish the opportunity and celebrate that trust and confidence. As a result, I am at your disposal, so please do not hesitate to reach out to me at any time.

As I have mentioned before, it is my intention to continue to find new ways to improve our Masonic atmosphere and experience. Speaking with our brothers and any visiting brethren solidifies the fact that AW22 offers one of the best Masonic experiences around. As Masons we are charged with constant self-improvement. A Lodge has the same charge. It is of my opinion that most brethren might not have the capacity to attend outside of stated communications, so I will start "in house" with the hope that any additional nuance might at the very least leave an impression and/or desire to expand that capacity.

On January 9th, we will hold our first Stated Communication of the year. I will present in more detail my thoughts and vision for the year, and make some presentations to our immediate Past Master – Joshua Adler. Following the meeting we will adjourn to the dining room for our Festive Board. It is imperative that the brethren do their part in assisting the lodge in cutting down on food waste and unnecessary spending by notifying our Senior Steward of your intention to attend the meal via email at: [reservations@aw22.org](mailto:reservations@aw22.org).

On January 23rd we will raise a worthy brother to the Sublime Degree of Master Mason. Degree work is without question the pride of our Lodge the one of the most important aspects in a man's Masonic journey. I will continue to implore you brethren to attend and participate if at all within the length of your cable tow.

In the hope there will be a greater desire to participate: Over the past couple of years we have established a working core of brothers (both officers and even a few members) who meet on Sundays at 5pm for "Lodge Ritual School" to learn and participate in various aspects of degree and ritual work. I wish for this to continue and to grow further outside of this current working core and gain better traction within the membership. Please know my brothers that ALL are welcome and encouraged to attend (should you have a desire to start participating in degree work, have specific questions in terms of ritual or degree work, or are simply curious and wish to observe.)

Finally brethren I wish all of you joy and gladness. I very much look forward to seeing you in lodge as we continue this journey together.

Most Sincerely & Fraternally,

Rob Weston  
Master
