## *The Master's Message*

My Brethren:

Our stated communication on April 11, 2019 began with a beautiful program, which was open to the public. First, Bethel 22 presented their Chapter and the many benefits that participation in the Job's Daughters International brings to young ladies around the nation. This was followed by a reading of one of the three winning essays of the *George Washington the Mason* essay competition, hosted by AW22. The winner received a standing ovation from Brethren and friends alike, as well as a check for \$500. This was followed by a presentation from our Assistant Archivist to the Lodge of a few of our artifacts from the archives, which inspired awe in everyone who was present.

On April 13, 2019, AW22 proudly hosted the William Hiram Wood School, with attendance of approximately 70 Brethren from Masonic Districts 1A and 1B. The respective district leaders did an outstanding job and we are thankful to them for their hard work and leadership. We wrapped up the month with a very special MM degree. You can find a photograph of that degree on the last page of this bulletin.

May 2019 will be an intense month once again. It will start with our stated communication and a presentation on the importance of the Fellowcraft degree. To attract additional interest, we are planning to present a random important artifact from our Archives at each of our meetings. I hope that you could make time to visit your Lodge and witness the positive fraternal atmosphere and energy that we continue to enjoy.

Please remember that you have multiple opportunities to join in the quarries and help the officers and the other Brethren—whether it's through learning and teaching catechism, or helping the newly formed New Mason Integration Committee or any other committee. If you want to participate in a degree, please reach out to me and I will be happy to work with you and the other Brethren to teach you a part of the ritual and stimulate your participation.

Sincerely and fraternally,  
Nikola Nikolov  
Master
