# The Master's Message

Brethren,

I would like to wish everyone in our Masonic Family a Happy New Year and pray that you had a joyous and peaceful Christmas season. Every year our Lodge performs the installation of officers on the Feast of Saint John the Evangelist on December 27. We were forced to make unwanted alterations to our longstanding tradition in the name of safety and health due to COVID-19. Nevertheless, I want to thank everyone for attending our first ever Zoom installation of officers and helping us begin another year of Masonic service to our Craft and to the community.

We faced many trials and tribulations in the previous year, and thanks to the will of the Supreme Architect and endless zeal of our brethren, we made it through the most trying time for Freemasonry in recent times. Notwithstanding an additional halt of work being out of our control, we have significant labor waiting our return to the quarries. Many of our Entered Apprentices and Fellow Craft have been working diligently to be ready to be passed and advanced, all the while candidates wait to take their first steps in Freemasonry. This year has been predetermined to be a year of non-stop degree work and we must strive to do what is necessary while respecting the guidance and restrictions from our Grand Master.

It is with great disappointment, Brethren, that I must ask all of you to stay home for our January stated communication. Until Virginia restrictions change, we can only have ten Brethren at a stated communication. This means we cannot even have all of our Lodge officers present. We will have a zoom meeting to go over important business and enjoy a program. Our speaker will be Right Worshipful Rhey Solomon, who will giving the first of a three-part program on the previous great disruption of Masonic work in this Country... the Morgan Affair.

Brethren I strongly suggest you familiarize yourself with the Zoom application on your computer and smart devices. We are still looking at an extended period of limited in-person events, so many of our events and education programs will be offered on this digital platform during the first quarter.

I am looking forward to seeing you all soon. Until then, be safe!

Sincerely and fraternally,

# From the Secretary's Desk

Brethren,

As I jump from the proverbial frying pan into the fire, I seek your patience and assistance. Rest assured, RW Canard will remain part of the Secretarial team and will be assisting in ensuring that I am properly trained to support the Lodge. I look forward to serving as your Secretary, but I admit I am a little nervous.

If you have not yet submitted your dues for 2021, please do so. You may pay by check or online through the website. Please email [Secretary@AW22.org](mailto:Secretary@AW22.org) if you have any questions about dues. Your dues support the operations of the Lodge and are required by the Methodical Digest to be paid in advance of the membership year.

Please remember to contact us at [Secretary@AW22.org](mailto:Secretary@AW22.org) if you have any changes to your address(es), emails, telephone numbers, or any other means of contact. Your correct contact information ensures that you receive all messages from the Lodge, the quarterly issuance of the Virginia Masonic Herald, the Memorial's publication of Light, and various other communications from the Grand Lodge on your Masonic Home. If you just want to check the status of your contact information, just drop us a line.

We look forward to a great year with Wor. Huff in the East and are here to serve. Please reach out with any questions, comments, or concerns.

## **The Alexandria – Washington Lodge, No. 22, Foundation, Inc.**

*Wor. Terry L. Gigure, PM, Chairman*

The Alexandria – Washington Lodge, No. 22, Foundation, Inc., has been established to support specific operations of the Lodge and preservation of our museum collection. This is an exciting first step toward elevating our museum collection to the level of scholarship and care worthy of the many important Washington, Early American, and Masonic artifacts that we possess. The Foundation provides an avenue for tax-deductible donations to the Lodge, establishes a 501(c)3 status that will allow us to apply for grants, and demonstrates our willingness to further invest in the health and future of the Lodge. Completing the incorporation papers and filing official bylaws make the Foundation fully functional and ready to get to work.

Within the next month, the Foundation Board of Directors will announce opportunities for every member of the Lodge to get involved and efforts to raise preservation and education funding from outside sources. There is much work to be done to refresh museum displays in the Replica Lodge Room, educational efforts that can be accomplished through the production of items for the Gift Shop, and opportunities to send our collection out into various community museums. Financially supporting the Lodge's sharing of the stories of Washington and Freemasonry while celebrating this important milestone in the Memorial's life is central to fulfilling the Foundation's purpose.

We are humbled by the generosity and faith that we have received in our initial donation. Wor. Jesse T. McMahan, PM and Foundation Director, contributed \$10,000 to the foundation to demonstrate his support for the outlined purposes and to encourage the entire Lodge to consider its potential. Funding the ability to use our collection and stature as a Lodge to educate our community, our country, and even the world, is a cause worthy of support. Dissemination of the Masonic ideals embodied by Washington will undoubtedly inspire everyone who encounters them. Our opportunity is now, and by funding the opportunity now, we ensure the creation of additional opportunities in the future.

As we launch our inaugural fundraising campaigns, we hope that you will find a way to get involved with the Foundation and in the Lodge's activities. There is much work to be done, but it is work that is definitely worth doing. Please reach out to one of the Foundation's Directors or Officers if you have any questions or would like to learn more.
