The Master's Message

I hope you and your families have a safe and enjoyable Independence Day! We have several busy months ahead of us filled with degree work, lodge upkeep and trips to local places and events. Please stay tune to upcoming newsletters and email announcements for the most UpToDate schedule. With Masonry opening back up, we would love to see all of you at lodge functions.

The National Sojourners will be presenting a program in honor of the 4th of July at our Stated Communication this month. Please email the Stewards at reservations@aw22.org to help us make sure there is enough food for all in attendance.

A called communication will take place on Thursday, July 15th at 7:00 pm for the purpose of conferring the second degree. Please come out to support our brother as he continues his journey in masonry. All Master Masons and Fellowcraft are welcome to attend.

From the Secretary's Desk

Brethren—

There are still a few of you who have not paid dues. Please, make haste. Remember, any time you have a change in contact information, the secretary needs to know. Telephone, email, and especially mailing address changes should be sent to secretary@aw22.org.

An update from my note last month, there will not be a Reed J. Simmons Academy this year. Therefore, it is all the more important that we increase our participation in Lodge and District Ritual Schools. The Worshipful Master needs a bench of willing brothers that are well versed in the ritual to ensure we can continue our regular Degree work. Perhaps you don't have the time to commit to being an officer, but you do have the time to learn the ritual roles for an office. It is a great way to support men on their journey in the Craft, engage with your fellow members, and strength our Lodge.

All members are encouraged to delve into scholarship. Remember the Winding Staircase Lecture? The seven liberal arts and sciences, esoterica, and whatever interests you personally are worthy of deeper contemplation and research. Should your research result in papers, you can publish them in this bulletin, in the Virginia Masonic Herald, or convert them to presentations. The journey towards greater light begins with the exploration of personal curiosity. Share what you find with your brethren.

As the world finally opens, see how you can better insert yourself, and through yourself Freemasonry, into it. Now, more than ever, civil discourse, benevolence, and an attentive ear are needed in our society. Every effort towards good adds to a greater sum—be a part of the societal legacy we will share.

Sincerely & Fraternally,

Daniel E. Froggett, PM.
