# The Master's Message

Fraternal greetings brethren,

We are very excited to see the reopening of freemasonry continue in the state of Virginia. We just conferred the Entered Apprentice degree for the first time in over a year and got high marks from our Assistant Grand Lecturer on our ritual proficiency. Your officers will be continuing degree work every month until each of our candidates that have been waiting for their next step in masonry have been initiated, passed, and raised.

Our stated this month includes a wonderful BBQ dinner (please see bill of fare page) starting at 6:30 pm, followed by a program on the Mark Degree by Most Excellent Donald McAndrews, PGHP, during our stated.

I am looking forward to seeing you all at lodge.

Sincerely & Fraternally,

## From the Secretary's Desk

There are still a few of you who have not paid dues. Please, make haste. Remember, any time you have a change in contact information, the secretary needs to know. Telephone, email, and especially mailing address changes should be sent to [secretary@aw22.org](mailto:secretary@aw22.org).

As we reopen, it is our responsibility to support the Worshipful Master in rejuvenating the health of the Lodge. How wonderful that we have already conferred a degree! When pondering on how you can assist, consider some of the following activities. Volunteer to be a catechism coach. Return your Master Mason's Degree catechism. Learn a lecture. Assist with a District Blood Drive. Assist with a Lodge Clean-Up Day. Most importantly—show up! When the doors are open, you should be there.

In high school, I was afforded the opportunity to be a Kentucky Governor's Scholar—a five-week, summer program where high school juniors get a sample college experience. What was true for me 20 years ago, remains the same today: the most impactful aspect of the program are the social interactions. Late night, dorm room gatherings where civil discussions and respectful debate were held. The Lodge affords us this same environment to listen to and appreciate opposing viewpoints, regardless of how they conflict with our own. It is a place where we can intellectually challenge one another; a place of trust, respect, curiosity, and brotherly love where we can grow in our ways of thinking and beliefs. I hope as we reopen that we can use the Lodge to its fullest potential and ensure it remains a safe space for mature, respectful, inspirational, and transformational debate.

Some days, the political machinations and frenzied news media make the world seem like it is on fire. Freemasons have a unique opportunity to promulgate civility in a world that seems to have lost it. It is Spring...a time of renewal. We are reopening...let this also be a time of renewal for AW22.

Sincerely & Fraternaly,

*Daniel E. Froggett, PM.*
